

## Indicators used in the assessment

Indicator short name	Indicator
GOAL 1 – No Poverty	
Extreme poverty	<b>1.1.1</b> - Proportion of population below international poverty line (%) - Proportion of employed population below international poverty line (%)
National poverty	<b>1.2.1</b> Proportion of population living below the national poverty line (%)
Multidimensional poverty	<b>1.2.2</b> Proportion of population living in multidimensional poverty (%)
Social protection	<b>1.3.1</b> - Proportion of population covered by social assistance programs (%) - Proportion of population covered by social assistance programs, lowest income quantile (%) - Proportion of population covered by social insurance programs (%) - Proportion of population covered by social insurance programs, lowest income quantile (%) - Proportion of unemployed persons receiving unemployment cash benefit (%) - Proportion of population above statutory pensionable age receiving a pension (%) - Proportion of population with severe disabilities receiving disability cash benefit (%) - Proportion of population covered by at least one social protection benefit (%) - Proportion of children/households receiving child/family cash benefit (%) - Proportion of mothers with newborns receiving maternity cash benefit (%) - Proportion of vulnerable population receiving social assistance cash benefit (%)
Access to basic water and sanitation services	<b>1.4.1</b> Proportion of population: - Using basic drinking water (%) - Basic sanitation services (%)
Deaths/missing/affected from disasters	<b>1.5.1</b> - Number of deaths and missing persons attributed to disasters per 100,000 population - Number of directly affected persons attributed to disasters per 100,000 population
Economic loss from disasters	<b>1.5.2</b> Direct economic loss attributed to disasters relative to GDP (%)
Disaster risk reduction	<b>1.5.3</b> Score of adoption and implementation of national DRR strategies in line with the Sendai Framework
Disaster risk reduction	<b>1.5.4</b> Proportion of local governments that adopt and implement local disaster risk reduction strategies in line with national disaster risk reduction strategies (%)

Indicator short name	Indicator
ODA grants for poverty reduction	<b>1.a.1</b> Official development assistance grants for poverty reduction, by donor countries (% of GNI)
Government spending on education and health	<b>1.a.2</b> Proportion of total government spending on essential services, education (%)
<b>GOAL 2 – Zero Hunger</b>	
Prevalence of undernourishment	<b>2.1.1</b> Prevalence of undernourishment (%)
Moderate or severe food insecurity in the population	<b>2.1.2</b> Prevalence of moderate or severe food insecurity in the adult population (%)
Prevalence of stunting	<b>2.2.1</b> Proportion of children moderately or severely stunted (%)
Prevalence of malnutrition	<b>2.2.2</b> - Proportion of children moderately or severely wasted (%) - Proportion of children moderately or severely overweight (%)
Prevalence of anaemia	<b>2.2.3</b> Proportion of women aged 15-49 years with anaemia (%): - Pregnant - Non-pregnant
Production per labour unit	<b>2.3.1</b> Productivity of small-scale food producers (agricultural output per labour day, constant PPP 2011 USD)
Plant and animal genetic resources in conservation facilities	<b>2.5.1</b> - Number of local breeds for which sufficient genetic resources are stored for reconstitution - Number of transboundary breeds for which sufficient genetic resources are stored for reconstitution - Plant genetic resources accessions stored ex situ (number)
Local breeds at risk of extinction	<b>2.5.2</b> Proportion of local breeds classified as being at risk as a share of local breeds with known level of extinction risk (%)
Agriculture orientation index	<b>2.a.1</b> Agriculture orientation index for government expenditures
<b>GOAL 3 – Good health and well-being</b>	
Maternal mortality ratio	<b>3.1.1</b> Maternal mortality ratio
Births attended by skilled health personnel	<b>3.1.2</b> Proportion of births attended by skilled health personnel (%)
Under-five mortality	<b>3.2.1</b> - Under-five mortality rate (deaths per 1,000 live births) - Infant mortality rate (deaths per 1,000 live births)
Neonatal mortality	<b>3.2.2</b> Neonatal mortality rate (deaths per 1,000 live births)
HIV infections	<b>3.3.1</b> Number of new HIV infections per 1,000 uninfected population
Tuberculosis	<b>3.3.2</b> Tuberculosis incidence (per 100,000 population)
Cardiovascular disease, cancer, diabetes or chronic respiratory disease	<b>3.4.1</b> Mortality rate attributed to cardiovascular disease, cancer, diabetes or chronic respiratory disease (probability)
Suicide	<b>3.4.2</b> Suicide mortality rate (deaths per 100,000 population)
Harmful use of alcohol	<b>3.5.2</b> Alcohol consumption per capita (aged 15 years and older) within a calendar year (litres of pure alcohol)

Indicator short name	Indicator
Road traffic deaths <sup>40</sup>	<b>3.6.1</b> Road traffic fatalities, rate per million inhabitants
Modern methods for family planning <sup>41</sup>	<b>3.7.1</b> Women of reproductive age (aged 15-49 years) who have their need for family planning satisfied with modern methods (%)
Adolescent births	<b>3.7.2</b> - Adolescent birth rate (per 1,000 women aged 10-14 years) - Adolescent birth rate (per 1,000 women aged 15-19 years)
Universal health coverage index	<b>3.8.1</b> Universal health coverage (UHC) service coverage index
Household expenditures on health	<b>3.8.2</b> Proportion of population with large household expenditures on health as a share of total household expenditure or income (%): - Greater than 10% - Greater than 25%
Unintentional poisoning	<b>3.9.3</b> Mortality rate attributed to unintentional poisonings (deaths per 100,000 population)
Tobacco use	<b>3.a.1</b> Age-standardized prevalence of current tobacco use among persons aged 15 years and older (%)
Population covered by all vaccines in national programme	<b>3.b.1</b> Proportion of the target population with access to (%): - 3 doses of diphtheria-tetanus-pertussis (DTP3) (%) - Measles-containing-vaccine second dose (MCV2) (%) - Pneumococcal conjugate 3rd dose (PCV3) (%) - Affordable medicines and vaccines on a sustainable basis, human papillomavirus (HPV) (%)
Health worker density and distribution	<b>3.c.1</b> Health worker density (per 10,000 population) - Dentists - Nurses - Pharmacists - Physicians - Health worker distribution, female physicians (%)
Health capacity and emergency preparedness	<b>3.d.1</b> International Health Regulations (IHR) capacity (%): - Legislation and financing - Laboratory - Surveillance - Food safety - Human resources - Points of entry - Risk communication - Health service provision - Chemical events - Radiation - National health emergency framework - IHR Coordination and National Focal Point Functions - Zoonotic events and the Human-Animal Health Interface

<sup>40</sup>Data source is [UNECE Statistical Database](#)

<sup>41</sup>Data source is United Nations, Department of Economic and Social Affairs, Population Division (2020). [Model-based Estimates and Projections of Family Planning Indicators 2020](#), custom data acquired via website.

Indicator short name	Indicator
Antimicrobial-resistant bloodstream infections	<b>3.d.2</b> - Percentage of bloodstream infection due to Escherichia coli resistant to 3rd-generation cephalosporin (ESBL- E. coli) among patients seeking care and whose blood sample is taken and tested (%) - Percentage of bloodstream infection due to methicillin-resistant Staphylococcus aureus (MRSA) among patients seeking care and whose blood sample is taken and tested (%)

GOAL 4 – Quality education

Minimum proficiency in reading and maths	<b>4.1.1</b> Proportion of children and young people achieving a minimum proficiency level (%): - Mathematics - Reading
Completion rate	<b>4.1.2</b> Completion rate (%): - Primary - Lower secondary - Secondary
Organised learning before primary entry age	<b>4.2.2</b> Participation rate in organized learning (one year before the official primary entry age) (%)
Formal and non-formal education and training	<b>4.3.1</b> Participation rate in formal and non-formal education and training (%)
Youth and adults with ICT skills	<b>4.4.1</b> Proportion of youth and adults with information and communications technology (ICT) skills (%): - Programming language - Transfer file - Download software - Electronic presentation - Spreadsheet arithmetic - Copy/move file/folder - Copy/paste - Email
Inequality indices for education indicators	<b>4.5.1</b> Parity status index for achievement in reading and math in lower-secondary (ratio): - Language - Immigration status - Gender - Rural to urban - Socio-economic status
Schools with access to basic services	<b>4.a.1</b> Schools with access to (%) [Primary, lower secondary, secondary]: - Computers for pedagogical purposes - Internet for pedagogical purposes - Electricity - Basic handwashing facilities - Single-sex basic sanitation - Basic drinking water
Teachers with minimum required qualifications	<b>4.c.1</b> Proportion of teachers with the minimum required qualifications (%): - Pre-primary and primary - Secondary

Indicator short name	Indicator
<b>GOAL 5 – Gender Equality</b>	
Legal frameworks on non-discrimination	<b>5.1.1</b> Legal frameworks that promote, enforce and monitor gender equality (% of achievement): - Overarching legal frameworks and public life - Violence against women - Employment and economic benefits - Marriage and family
Gender parity in time spent on domestic tasks	<b>5.4.1</b> Male/female ratio of hours spent on domestic tasks
Seats held by women in national parliaments and local governments	<b>5.5.1</b> - Proportion of seats in national parliaments held by women (%) - Proportion of elected seats held by women in deliberative bodies of local government (%)
Proportion of women in managerial positions	<b>5.5.2</b> Proportion of women in (%): - Managerial positions - Senior and middle management positions
Mobile phone ownership	<b>5.b.1</b> Proportion of females who own a mobile phone (%)
<b>GOAL 6 – Clean water and sanitation</b>	
Safely managed drinking water services	<b>6.1.1</b> Proportion of population using safely managed drinking water services (%)
Open defecation practice and handwashing facilities	<b>6.2.1</b> Proportion of population (%): - Practicing open defecation - Using safely managed sanitation services
Domestic and industrial wastewater flows safely treated	<b>6.3.1</b> Proportion of domestic and industrial wastewater flows safely treated
Bodies of water with good ambient water quality	<b>6.3.2</b> Proportion of bodies of water with good ambient water quality (%)
Water use efficiency	<b>6.4.1</b> Water Use Efficiency (United States dollars per cubic meter)
Water stress	<b>6.4.2</b> Level of water stress: freshwater withdrawal as a proportion of available freshwater resources (%)
Degree of integrated water resources management	<b>6.5.1</b> Degree of integrated water resources management implementation (%)
Transboundary basin area with an operational arrangement for water cooperation	<b>6.5.2</b> Proportion of transboundary basins (river and lake basins and aquifers) with an operational arrangement for water cooperation (%)
Policies and procedures for participative water and sanitation management	<b>6.b.1</b> Proportion of local administrative units with established and operational policies and procedures for participation of local communities in water and sanitation management
<b>GOAL 7 – Affordable and clean energy</b>	
Access to electricity	<b>7.1.1</b> Proportion of population with access to electricity (%)
Reliance on clean energy	<b>7.1.2</b> Proportion of population with primary reliance on clean fuels and technology (%)
Renewable energy share	<b>7.2.1</b> Renewable energy share in the total final energy consumption (%)
Energy intensity	<b>7.3.1</b> Energy intensity level of primary energy (megajoules per constant 2011 purchasing power parity GDP)

Indicator short name	Indicator
GOAL 8 – Decent work and economic growth	
Real GDP per capita growth rate	<b>8.1.1</b> Annual growth rate of real GDP per capita (%)
Real GDP per employed person growth rate	<b>8.2.1</b> Annual growth rate of real GDP per employed person (%)
Informal employment	<b>8.3.1</b> Proportion of informal employment in total employment
Domestic material consumption	<b>8.4.2</b> Domestic material consumption per unit of GDP (kilograms per constant 2015 United States dollars): <ul style="list-style-type: none"> <li>- Biomass</li> <li>- Fossil fuels</li> <li>- Metal ores</li> <li>- Non-metallic minerals</li> <li>- Coal</li> <li>- Crop residues</li> <li>- Crops</li> <li>- Ferrous ores</li> <li>- Natural gas</li> <li>- Grazed biomass and fodder crops</li> <li>- Non-ferrous ores</li> <li>- Non-metallic minerals, industrial or agricultural dominant</li> <li>- Non-metallic minerals, construction dominant</li> <li>- Petroleum</li> <li>- Wild catch and harvest</li> <li>- Wood</li> <li>- Oil shale and tar sands</li> <li>- Total</li> </ul>
Unemployment rate	<b>8.5.2</b> Unemployment rate (%)
Youth not in education, employment or training	<b>8.6.1</b> Proportion of youth not in education, employment or training (%)
Occupational injuries	<b>8.8.1</b> Occupational injuries among employees per 100,000 employees: <ul style="list-style-type: none"> <li>- Fatal</li> <li>- Non-fatal</li> </ul>
National compliance to labour rights	<b>8.8.2</b> Level of national compliance with labour rights (freedom of association and collective bargaining) based on International Labour Organization (ILO) textual sources and national legislation
Commercial bank branches and automated teller machines	<b>8.10.1</b> Number of automated teller machines (ATMs) per 100,000 adults
Adults with a bank account	<b>8.10.2</b> Proportion of adults (15 years and older) with an account at a financial institution or mobile-money-service provider (%)
Aid for trade commitments and disbursements	<b>8.a.1</b> Total official flows (disbursement) for Aid for Trade, by donor countries (millions of constant 2020 United States dollars, transformed to per cent of GDP)
Strategy for youth employment	<b>8.b.1</b> Existence of a developed and operationalized national strategy for youth employment, as a distinct strategy or as part of a national employment strategy

Indicator short name	Indicator
GOAL 9 – Industry, innovation and infrastructure	
Passenger and freight volumes <sup>42</sup>	<b>9.1.2</b> - Non-road freight as proportion of total (%) - Rail passengers, thousand passenger-km per capita
Manufacturing value added	<b>9.2.1</b> Manufacturing value added as a proportion of GDP (%)
Manufacturing employment	<b>9.2.2</b> Manufacturing employment as a proportion of total employment (%)
Small-scale industries as share of total	<b>9.3.1</b> Proportion of small-scale industries in total industry value added (%)
Small-scale industries with a loan or line of credit	<b>9.3.2</b> Proportion of small-scale industries with a loan or line of credit (%)
CO2 emission intensity	<b>9.4.1</b> Carbon dioxide emissions (kilogrammes of CO2 per constant 2010 United States dollars): - Per unit of GDP - Per unit of manufacturing value added
Research and development expenditure	<b>9.5.1</b> Research and development expenditure as a proportion of GDP (%)
Number of researchers	<b>9.5.2</b> Researchers (in full-time equivalent) per million inhabitants (per 1,000,000 population)
Medium and high-tech industry value added	<b>9.b.1</b> Proportion of medium and high-tech industry value added in total value added (%)
Population covered by mobile phone network	<b>9.c.1</b> Proportion of population covered by mobile network (%): - At least a 2G - At least a 3G - At least a 4G
GOAL 10 – Reduced inequalities	
Population living below 50 percent of median income	<b>10.2.1</b> Proportion of people living below 50 percent of median income (%)
Labour income share of GDP	<b>10.4.1</b> Labour share of GDP (%)
Redistributive impact of fiscal policy	<b>10.4.2</b> Redistributive impact of fiscal policy, Gini index (%): - Pre-fiscal income - Post-fiscal income
Financial soundness indicators	<b>10.5.1</b> - Non-performing loans net of provisions to capital (%) - Non-performing loans to total gross loans (%) - Return on assets (%) - Regulatory capital to assets (%) - Regulatory Tier 1 capital to risk-weighted assets (%) - Liquid assets to short-term liabilities (%) - Net open position in foreign exchange to capital (%)
Migration policies	<b>10.7.2</b> Countries with migration policies to facilitate orderly, safe, regular and responsible migration and mobility of people [All domains]
Migrant deaths and disappearances	<b>10.7.3</b> Total deaths and disappearances recorded during migration (number)

<sup>42</sup> Data source is [UNECE Statistical Database](#).

Indicator short name	Indicator
Refugees	<b>10.7.4</b> Proportion of the population who are refugees, by country of origin (%)
Zero tariff imports	<b>10.a.1</b> Proportion of tariff lines applied to imports with zero-tariff (%), all products
Total resource flows for development	<b>10.b.1</b> Net official development assistance (ODA) as a percentage of OECD-DAC donors' GNI, by donor countries (%)
Remittance costs	<b>10.c.1</b> - Remittance costs as a proportion of the amount remitted (%) - Average remittance costs of sending \$200 for a sending country as a proportion of the amount remitted (%)

GOAL 11 – Sustainable cities and communities

Slums	<b>11.1.1</b> Proportion of urban population living in slums (%)
Expenditure cultural and natural heritage	<b>11.4.1</b> Total expenditure per capita spent on cultural and natural heritage, public funding (PPP, constant 2017 United States dollars)
Deaths/missing/affected from disasters	<b>11.5.1</b> - Number of deaths and missing persons attributed to disasters per 100,000 population (number) - Number of directly affected persons attributed to disasters per 100,000 population (number)
Economic loss and affected infrastructure & services from disasters	<b>11.5.2</b> Direct economic loss attributed to disasters relative to GDP (%)
Mean levels of fine particulate matter in cities	<b>11.6.2</b> Annual mean levels of fine particulate matter (population-weighted, micrograms per cubic meter)
Disaster risk reduction	<b>11.b.1</b> Score of adoption and implementation of national DRR strategies in line with the Sendai Framework
Disaster risk reduction, local governments	<b>11.b.2</b> Proportion of local governments that adopt and implement local disaster risk reduction strategies in line with national disaster risk reduction strategies (%)

Indicator short name	Indicator
GOAL 12 – Responsible consumption and production	
Domestic material consumption	<b>12.2.2</b> Domestic material consumption per unit of GDP (kilograms per constant 2015 United States dollars): <ul style="list-style-type: none"> <li>- Biomass</li> <li>- Fossil fuels</li> <li>- Metal ores</li> <li>- Non-metallic minerals</li> <li>- Coal</li> <li>- Crop residues</li> <li>- Crops</li> <li>- Ferrous ores</li> <li>- Natural gas</li> <li>- Grazed biomass and fodder crops</li> <li>- Non-ferrous ores</li> <li>- Non-metallic minerals, industrial or agricultural dominant</li> <li>- Non-metallic minerals, construction dominant</li> <li>- Petroleum</li> <li>- Wild catch and harvest</li> <li>- Wood</li> <li>- Oil shale and tar sands</li> <li>- Total</li> </ul>
Handling of hazardous waste	<b>12.4.1</b> Parties meeting their commitments and obligations in transmitting information on hazardous waste and other chemicals, as required by: <ul style="list-style-type: none"> <li>- Basel Convention</li> <li>- Montreal Protocol</li> <li>- Rotterdam Convention</li> <li>- Stockholm Convention</li> </ul>
Hazardous waste generated	<b>12.4.2</b> <ul style="list-style-type: none"> <li>- Hazardous waste treated or disposed (%)</li> <li>- Hazardous waste generated, per capita (kg)</li> </ul>
National recycling rate	<b>12.5.1</b> Electronic waste recycling, per capita (kg)
Economic and environmental aspects of tourism	<b>12.b.1</b> Implementation of standard accounting tools to monitor the economic and environmental aspects of tourism: <ul style="list-style-type: none"> <li>- Number of tables</li> <li>- SEEA tables</li> <li>- Tourism Satellite Account tables</li> </ul>
Fossil fuel subsidies	<b>12.c.1</b> <ul style="list-style-type: none"> <li>- Fossil-fuel pre-tax subsidies (consumption and production) as a proportion of total GDP (%)</li> <li>- Fossil-fuel subsidies (consumption and production) per capita (constant US dollars)</li> </ul>
GOAL 13 – Climate action	
Deaths/missing/affected from disasters	<b>13.1.1</b> <ul style="list-style-type: none"> <li>- Number of deaths and missing persons attributed to disasters per 100,000 population</li> <li>- Number of directly affected persons attributed to disasters per 100,000 population</li> </ul>
Disaster risk reduction	<b>13.1.2</b> Score of adoption and implementation of national DRR strategies in line with the Sendai Framework

Indicator short name	Indicator
Disaster risk reduction, local governments	<b>13.1.3</b> Proportion of local governments that adopt and implement local disaster risk reduction strategies in line with national disaster risk reduction strategies (%)
Greenhouse gas emissions	<b>13.2.2</b> Total greenhouse gas emissions without LULUCF (Mt CO <sub>2</sub> , equivalent): - Annex I Parties - Non-Annex I Parties

#### GOAL 14 – Life below water

Coastal eutrophication and plastic debris density	<b>14.1.1</b> - Chlorophyll-a anomaly, remote sensing (%) - Moderate - High - Beach litter originating from national land-based sources that ends in the beach (%) - Beach litter originating from national land-based sources that ends in the ocean (%)
Protected marine areas	<b>14.5.1</b> Average proportion of Marine Key Biodiversity Areas (KBAs) covered by protected areas (%)
Combatting illegal fishing	<b>14.6.1</b> Progress by countries in the degree of implementation of international instruments aiming to combat illegal, unreported and unregulated fishing (level of implementation)
Sustainable fisheries	<b>14.7.1</b> Sustainable fisheries as a proportion of GDP (%)
Research budget for marine technology	<b>14.a.1</b> National ocean science expenditure as a share of total research and development funding (%)
Legal frameworks to protect small-scale fisheries	<b>14.b.1</b> Degree of application of a legal/regulatory/policy/institutional framework which recognizes and protects access rights for small-scale fisheries (level of implementation: 1 lowest to 5 highest)

#### GOAL 15 – Life on land

Forest area	<b>15.1.1</b> Forest area as a proportion of total land area (%)
Sites for terrestrial and freshwater biodiversity	<b>15.1.2</b> Average proportion of Key Biodiversity Areas (KBAs) covered by protected areas (%) - Freshwater - Terrestrial
Sustainable forest management	<b>15.2.1</b> - Above-ground biomass in forest (tonnes per hectare) - Forest area net change rate (%) - Proportion of forest area with a long-term management plan (%) - Proportion of forest area within legally established protected areas (%)
Degraded land	<b>15.3.1</b> Proportion of land that is degraded over total land area
Sites for mountain biodiversity	<b>15.4.1</b> Average proportion of Mountain Key Biodiversity Areas (KBAs) covered by protected areas (%)
Mountain Green Cover Index	<b>15.4.2</b> Mountain Green Cover Index
Red List Index	<b>15.5.1</b> Red List Index

Indicator short name	Indicator
Plant genetic resources for good and agriculture	<b>15.6.1</b> - Countries that have legislative, administrative and policy framework or measures reported through the Online Reporting System on Compliance of the International Treaty on Plant Genetic Resources for Food and Agriculture (PGRFA) - Countries that are contracting Parties to the International Treaty on Plant Genetic Resources for Food and Agriculture (PGRFA)
Management of invasive alien species	<b>15.8.1</b> - Legislation, Regulation, Act related to the prevention of introduction and management of Invasive Alien Species - Countries with an allocation from the national budget to manage the threat of invasive alien species - National Biodiversity Strategy and Action Plan (NBSAP) targets alignment to Aichi Biodiversity target 9 set out in the Strategic Plan for Biodiversity 2011-2020
ODA for biodiversity	<b>15.a.1</b> Total official development assistance for biodiversity (millions of constant 2017 United States dollars) by: - Donor countries - Recipient countries

## GOAL 16 – Peace, justice and strong institutions

Intentional homicides	<b>16.1.1</b> Number of victims of intentional homicide per 100,000 population
Robbery	<b>16.1.3</b> Proportion of population subjected to robbery in the previous 12 months (%)
Safety walking alone	<b>16.1.4</b> Proportion of population that feel safe walking alone around the area they live after dark (%)
Detected victims of human trafficking	<b>16.2.2</b> Detected victims of human trafficking (number)
Robbery reporting rate	<b>16.3.1</b> Police reporting rate for robbery (%)
Unsentenced detainees	<b>16.3.2</b> Unsentenced detainees as a proportion of overall prison population (%)
Individuals paying bribes	<b>16.5.1</b> Proportion of persons who had at least one contact with a public official and who paid a bribe to a public official, or were asked for a bribe by those public officials, during the previous 12 months
Bribery	<b>16.5.2</b> Bribery incidence (% of firms experiencing at least one bribe payment request)
Government expenditure	<b>16.6.1</b> Primary government expenditures as a proportion of original approved budget (%)
Representation in national and local institutions	<b>16.7.1</b> - Ratio of judges compared to national population distributions - Ratio of registrars compared to national population distributions - Ratio of members of parliament to eligible national population, lower chamber or unicameral - Ratio of members of parliament to eligible national population, upper chamber - Persons aged 45 or under - Females

Indicator short name	Indicator
Public access to information	<b>16.10.2</b> Countries that adopt and implement constitutional, statutory and/or policy guarantees for public access to information
Human Rights, Paris Principles	<b>16.a.1</b> Countries with National Human Rights Institutions in compliance with the Paris Principles, A status
GOAL 17 – Partnerships for goals	
Tax revenue	<b>17.1.1</b> Total government revenue (budgetary central government) as a proportion of GDP (%)
Domestic budget funded by domestic taxes	<b>17.1.2</b> Proportion of domestic budget funded by domestic taxes (% of GDP)
ODA from OECD-DAC	<b>17.2.1</b> Net official development assistance (ODA) as a percentage of OECD-DAC donors' GNI, by donor countries to (%): - Landlocked developing countries - Small island states (SIDS) - Least developed countries (LDCs)
Debt service	<b>17.4.1</b> Debt service as a proportion of exports of goods and services (%)
Fixed Internet broadband subscription by speed	<b>17.6.1</b> Fixed Internet broadband subscriptions per 100 inhabitants: - 10 MPBS - Any speed
Internet users	<b>17.8.1</b> Internet users per 100 inhabitants
Worldwide weighted tariff-average	<b>17.10.1</b> - Worldwide weighted tariff-average, most-favoured-nation status (%): - Agricultural products - Clothing - Industrial products - Oil - Textiles - All products - Worldwide weighted tariff-average, preferential status (%) - Agricultural products - Clothing - Industrial products - Oil - Textiles - All products

Indicator short name	Indicator
Average tariffs faced by developing countries	<b>17.12.1</b> - Average tariff applied by developed countries, most-favoured nation status (%): - Agricultural products - Arms - Clothing - Industrial products - Oil - Textiles - All products - Average tariff applied by developed countries, preferential status (%): - Agricultural products - Arms - Clothing - Industrial products - Oil - Textiles - All products
Macroeconomic dashboard	<b>17.13.1</b> - Gross public sector debt, Central Government, as a proportion of GDP (%) - Annual inflation, consumer prices (%) - Annual growth of households and NPISHs final consumption expenditure (%) - Annual GDP growth (%)
Country-owned results frameworks and planning tools	<b>17.15.1</b> - Extent of use of country-owned results frameworks and planning tools by providers of development cooperation, data by provider (%) - Proportion of project objectives of new development interventions drawn from country-led result frameworks, data by provider (%) - Proportion of results indicators drawn from country-led results frameworks, data by provider (%) - Proportion of results indicators which will be monitored using government sources and monitoring systems, data by provider (%)
Funding for environmentally sound technologies	<b>17.7.1</b> - Amount of tracked exported Environmentally Sound Technologies (current United States dollars) - Amount of tracked exported Environmentally Sound Technologies (current United States dollars)
Official development assistance for technical cooperation	<b>17.9.1</b> Total official development assistance (gross disbursement) for technical cooperation (millions of 2020 United States dollars)
Statistical capacity indicator for Sustainable Development Goal monitoring	<b>17.18.1</b> - Data Sources performance index (Statistical Performance Indicators Pillar 4) (Index) - Data Infrastructure performance index (Statistical Performance Indicators Pillar 5) (Index)

Indicator short name	Indicator
Compliance with the Fundamental Principles of Official Statistics	<b>17.18.2</b> Countries with national statistical legislation exists that complies with the Fundamental Principles of Official Statistics
National statistical plan	<b>17.18.3</b> <ul style="list-style-type: none"> <li>- Countries with national statistical plans with funding from Government</li> <li>- Countries with national statistical plans that are fully funded</li> <li>- Countries with national statistical plans that are under implementation</li> </ul>
Census, birth and death registration	<b>17.19.2</b> <ul style="list-style-type: none"> <li>- Countries that have conducted at least one population and housing census in the last 10 years</li> <li>- Countries with birth registration data that are at least 90 percent complete</li> <li>- Countries with death registration data that are at least 75 percent complete</li> </ul>
